CLASS ACT

A project that combines the experience and leadership of Ballet Arizona's professional dancers with the creative imagination of students from local schools to create, choreograph, and perform new dance works.

CAST: Students of Westar Elementary School

Under the direction of Alexandra Papazian, Ballet Arizona's Education and Community Engagement Manager, and Ballet Arizona professional dancers, participating students are guided to flex their creative muscles and explore the creative process of dance.

Working together, the dancers and the students create an original work that is performed onstage at *Ballet Under the Stars* for their community!

Due to the covid-19 pandemic, this year's Class Act program was completed entirely online to minimize contact and keep our students and teachers safe. Ballet Arizona is grateful for the support of the City of Goodyear, Westar Elementary School, and Ms. Abigail Wax who have made this year's partnership such a wonderful success.
