### **Ballet Arizona**

Ballet Arizona, in its 33<sup>rd</sup> season, is dedicated to preserving and celebrating classical dance while creating new and innovative works. Under the artistic direction of internationally acclaimed choreographer Ib Andersen - a former Principal Dancer with The New York City Ballet and The Royal Danish Ballet - Ballet Arizona follows his lead to the future of dance in Arizona. The School of Ballet Arizona promotes access to the art form of ballet through dance education, with a focus on excellence in the form, directing each student to a life-long love of dance. Following this vision, Ballet Arizona connects to more than 35,000 children and families every year through its free and low cost outreach programs.
