Notice Regarding Coronavirus (COVID-19)

Ballet Arizona is closely monitoring the evolving coronavirus (COVID-19) situation to be sure we take appropriate actions regarding the health and wellness of our employees, students, patrons, guests, and the community at large.

We are following the recommendations of the World Health Organization (WHO), U.S. Center for Disease Control and Prevention (CDC), Arizona Department of Health Services (ADHS), Maricopa County Department of Public Health (MCDPH), and the City of Phoenix.

Following the decision of Governor Doug Ducey and the Arizona Department of Education to close Arizona schools through March 27, 2020, the School of Ballet Arizona will cancel classes for all school year programs, as well as open adult and special classes, through that date. School families should check their emails for additional information.

Ballet Arizona’s studios and business office remain open for all non-school activities.

We have taken steps to minimize the opportunity for illnesses to spread, including:
- Providing disinfectant wipes for ballet barres and other frequently touched surfaces
- Making sure hand sanitizer is available throughout the building
- Reminding everyone to frequently and properly wash their hands and avoid touching their faces
- Encouraging employees and students to stay at home if they feel sick

Upcoming events

The School of Ballet Arizona’s upcoming production of Coppélia will not take place as scheduled, April 3 through April 5. We are exploring opportunities to present this at a future date.

Ballet Arizona is evaluating the status of its upcoming events and professional company performances which occur later in April and May. Updates for those events will be posted on Ballet Arizona’s website, and participants will be notified by email.
If you have tickets for an event that is postponed or cancelled, you can exchange your tickets for an upcoming performance in our current or upcoming season. You can also consider donating your tickets back to Ballet Arizona and receive a tax-deductible donation. As a non-profit organization, Ballet Arizona relies on generous support from the community to bring dance to the stage, to schools, and the community at large.

Please continue to check our website, balletaz.org, for the most current information.

This situation is evolving very quickly, so we thank you for your patience and support as we respond to changing circumstances during this unprecedented situation.

Samantha Tune
Executive Director
